I want to thank God for the brethren at CORE Missions. You have simply let God use you and have been a huge blessing to the people here in Cuba. I especially want to thank Pastor Cristobal and his church. They have directly helped sustain my family. I pray for you, your family and ministry because you have decided to serve God in every moment of your lives. As for my part, I continue working on the mission fields that God has placed me in to preach the gospel to every creature. I pray every chance that I get for strength to continue doing the marvelous work of my Heavenly Father. Please pray for me so that God can use me everyday. Pray for my wife and four kids. Also please pray for our brothers and sisters in Christ on the mission field. God bless you.
