This month I have been witnessing a good number of people coming to church every Sunday morning. I believe this to be because of Pastor Speer's Sunday School Lessons on "You and The Church". I think the lessons have made a great impact on our church attendance and have been helping our church members grow spiritually as well. Everyone has seen how important they are to the church.

While building the church building, I was able to witness to a Mason named, Gideon Asante. He believed that salvation is obtained by believing in Christ plus your own righteousness. It took me three days to persuade him that it comes by trusting in Christ alone without righteousness. He asked a lot of questions and by God's grace, I was able to answer them. Praise God, he finally trusted in Christ and HIS righteousness alone for salvation. Gideon visited our church two weeks ago. He was excited and promised to come back again.

Finally, I thank God for what we have been able to accomplish in our church building project. Again, I thank CORE Missions for their support.
