I went to Kemfo Anokye Hospital to visit a church member a few weeks ago. One of their relatives, Kofi Daniel, came to visit them at the same time I was there. We both ended up leaving at the same time and began walking out together. I took advantage of the moment and began to witness of my Saviour to him. He used to believe that along with belief in the Saviour, salvation came through his own righteousness as well. We found a place to sit and talk with each other. We pulled up the Bible on his phone and I began to take him through the Scriptures regarding Salvation. Daniel trust Christ as his Saviour! He has since joined our church and decided to follow Jesus in believer's Baptism.

I thank God for the spiritual growth of our church. Our soul-winning attendance is improving each and every week!

I thank God for CORE Missions support. I pray that God will bless them for the support.
