Dear Ministry Partner,

I want to thank you so much for your financial support. May the Lord bless you.

This is the rainy season in our country and many of my church members have come down with the seasonal flu. Much of my time during July was spent visiting them, encouraging them, and praying with them.

I continue to teach at our small training school, where we have a few committed children of God preparing for the ministry. Please pray that the Lord will provide some good books for use at our library.

At the home front, my wife has been suffering from low blood pressure. She has been to the doctor's office on and off. Please pray that the doctor will be able to give her the right treatment for her.

Again I thank you for your prayer for us.

Faithfully,
AM1601
