Dear Ministry Partners,

Thank you so much for supporting me even though we have never met before. I praise the Lord for you. My main target in the ministry is to reach out to people who come to Yangon from different parts of the country for education, job or work. Currently we have 5 families at our church. Three families regular visit us and there are other regular visitors as well. We average about 40 on Sundays.

I normally spend Saturdays as preparation day for Sunday. We would clean, arrange chairs, and practice choir in the morning, and in the evening we have worship service at the home of one of the church family members. We rotate this from week to week. From Monday through Friday, I do house visitation, sermon preparations, and evangelism.

During the month of February, I led two people to the Lord. Both of them come from Buddhist background. One of them is from Shan state, the middle eastern part of the country to work at a company. One of my church members happens to work with him and she began to bring him to church. After listening to the preaching of God's word for three months, he accepted Christ as his Lord and Savior. He is twenty four years old.

The other person who got saved is a seventeen year old girl. She lives with one of my church members because her mother is abroad working. At first she came to church because she enjoyed mingling with the youth group of our church. But gradually she opened her heart to the Lord and finally accepted Christ as her Lord.

Some regular visitors are not still saved. Please pray that they will also come to know Christ as their Savior.

One of my goals in the ministry is to disciple my church members. The Lord has allowed me to do this with my church members and I praise the Lord for the spiritual progress occurring in the lives of my church members.

Faithfully,
AM1608
