Dear Ministry Partner,

First of all I want to thank you for your support which allows me to serve the Lord in a great way. The Lord has burdened me to reach out to the Nepalese living in our country. The church that I am pastoring is also comprised of mostly Nepalese people. On December 17th, our church conducted a Christmas celebration for Nepalese people living in my area; about 250 of them came to the celebration. Most of them are Hindus. Although they used to be very strict in their belief, not even allowing visitors into their home nor mingling with other religious groups, I was able to give a clear presentation of the gospel to them. The very fact that these many people showed up to hear gospel message in itself was a miracle! Thanks for your prayer. Three people came to Christ as their Savior. We are in the process of providing discipleship programs for the three of them. They want to follow the Lord in water baptism in the near future.

We also had four other souls come to Christ through evangelism in our home town. Please pray for their growth in Christ.

Since my church is still a fairly new church, please continue to pray for the growth of our church. It is my greatest desire to see many Nepalese come to Christ and grow in Him. Please pray for the upcoming camps that I will be involved in. We hope to conduct a three-day camp at our church for the unreached Nepalese; we also want to conduct Children's Camp and Youth Camp in four other places. I will be partnering with a bigger church in town to do these camps.

Again thank you for your prayer for us.

Serving Him together,
AM1609
