God has been wonderfully good to my family. He has given me a wife who loves to serve with me in the ministry. My son Daniel has been struggling with his stomach since Sunday. He doesn't really seem to be of health but we believe God is in control.

I will like to praise the Lord for our ministry and the great work He is doing through us. I get very excited when a soul is saved. Our church has a big zeal for lost souls. Bro. James Adjabeng has recently joined our church here in Sunyani. He is one the people in our church who cares a lot about lost souls. My heart has been thrilled recently about Bro. James. These days what I have been finding out is that there are people I go to who have been saved or have been visited by our church. It has been James or Bismarck Oduro who are really working hard in the church. Bro. James told me a story about a woman he was preaching to. She had a six year boy sitting by and doing his own thing. Before he could conclude the message, that six year boy interrupted with a question. He asked Bro. James, "How can I ask Jesus to come into my heart and save me?" It is so amazing how God works. I praise God for people like James Adjabeng and Bismarck Oduro who seek to make a difference in our church.

Pray for laborers.

Pray that God will continue to use James and Bismarck as examples to many of our members.

Pray for the plans to start finding and training men to do what God has called us to do.

Pray for my family that we continue to love the Lord even more and for Daniel to get well.
