God has been wonderfully good to my family. He has given me a wife who loves to serve with me in the ministry. My son Daniel is doing very well now. Thank you for your support in prayers. I love the fact that my family love to serve God with me.

I am very thankful to the almighty God for our church also. Our church was started in the living room of Peter Acheampong with Kwarteng Yaw and Alex Addai. God moved us from there to the porch of a new convert by then whose name is Prosper. Our number was between 5 and 7 at that time. Then from there, God lead us to a classroom in Urban Counsel School. There were a lot of Charismatic churches in the school who kept disturbing us by the drums beat and speaking of tongues. Pastor Ted Speer visited our church one time and after seeing the charismatic churches were doing, he helped rent a wooden structure that was a little distant from the noise. Finally God worked on the hearts of Pastor Speer and his congregation to help us buy a land. Not only that, they also helped us to put a building that is ours. Although the building has not been finished, but it is more than enough to get us started. God has been so good we were able to move into our church building this past Sunday. Praise the Lord with us for bringing us this far.

Pray for laborers.

Pray that God's perfect will be done in my life.

Pray for the spirit and the desire of me and the church members to grow.
