I am thankful to God once again for taken good care of my family. God is also in the process of blessing our church in a amazing way. I have watched our church grow recently in our love for prayer. We have been getting back our old folks whom we thought would not come back again to church. We have people like Brother Richard, Saviour, Atta, Godfred and Ebenezer who returned with Godwin his friend who has so far become a church member. What excites my heart is the hardworking people God has blessed our church with. Even though God answered prayers by bringing these people back, I believe He also did it because of hard work of the church.

We started a faithfulness program this month, with the goal of church members bringing visitors and helping them to stay. So far God has blessed us with four other new people who seem to have come to stay (not including ordinary visitors). I am also thankful that the hearts of many people here are opened to the gospel message. Last week at Sosuanso ministry, the people were glad to hear that we are planning to start Sunday services in March so that they can attend church on Sundays.

- Pray that we get a school room we are working on to be able to start our services on Sundays.
- My wife's mother is struggling with cancer, pray that God's will be done in her life.
- Pray for more laborers, for receptive and influential people.
- Pray for wisdom for my wife and I to train our children in the way of the Lord.
