I am thankful to the almighty God for using me in the lives of my family and others. Our church so far has four Sunday School classes. I thank God that we have four different teachers for these classes. Alex Addai is one of those teachers. He gave a testimony last month concerning his growth in our church. He was thankful to God for bringing me in his way. He said before he would attend church just for fun because nothing was taught there. He added that before he joined our church he did not even know where to find Genesis and Revelation in the Bible. But he was thankful not only because now he can easily find Genesis and Revelation but that he has known the Bible enough to teach others.

Anas Boateng is a Muslim convert who has been in our church for about three years. Anas is now in a boarding house at Techiman Secondary School. Anas came to me last month needing advice on how to be closer to God when he does not have a good church to attend in the school. I advised him and also gave him our discipleship lessons to study and teach others also on weekly bases.

My last story has to do with Quansah Prince ,a teenager in the church. Prince had been in a sad mood for almost two weeks. When I asked Prince last Sunday night why he has been sad, this is what he told me: " Pastor, since you began recently encouraging us to study the Bible and do our daily devotions, I have been trying as much as I can. What makes me sad is when I read the Bible and do not understand it." I said all these to say I thank the Lord for using me in the lives of our church members. Glory to His name!

- Pray that God will continue to work in the lives of our church members.
- Pray that God will provide money for us to work on our building as the rainy season approaches and to build a baptistery also.
- Pray for our upcoming Teen Camp, that God will prepare us the teens.
- Pray that God will help us in the program we have designed to bring visitors and to disciple those visitors from February 5th - April 30th.
