I praise God for watching over my family and being good to us all the time. My family is doing well and we still enjoy serving our Lord together. I would like to thank CORE Missions and Faithway Baptist Church for the wonderful gifts you sent to my family. I appreciated every single thing that was in the bag. May God bless you all and give you back in abundance.

Since I met Bro. Bismarck Oduro Mensah, he has never stopped talking to me about starting a church in his home village. We have been praying about it for weeks now. Finally, we believe the Lord opened the door for us to start the church. Four months ago Bro. Bismarck and I went to the village just so that I can know the place. We ended up witnessing to close to 10 people and I believe all of them got saved including his parents. Since that day, the people we had witnessed to kept calling on us to come and start a church. I finally decided that we will go and start a Bible studies. This past Tuesday we went back to the village to put things in place as to where and how we can start the Bible studies. We got there Tuesday around 11am and before we could start our arrangements a group of 8 people invited us to preach the gospel to them. Also, I believe 6 of them trusted Christ. We finally told them about our plans to start a Bible studies and they were all willing to be a part of it. We are officially going to start the Bible studies on Tuesday 19th July. Our church has a burden to start many other churches in the future.

Please pray that God will take absolute control of the Bible studies.

Pray that God will bring us people with willing hearts to serve Him.

Pray that God will raise a leader among these people to take over the church in the future.

Pray for us also as we travel back and forth to attend the Bible studies every Tuesday.

Pray for laborers for our church and for our future church plants.
