I praise the almighty God for the blessing of good health to my family. My wife was very sick of Malaria last month. God been so good, she is doing very well now as well as the children.

Our church is also doing fine by God's grace bestowed upon us. God has so far added 10 people to our church since we moved to the church on the 10th of January. The most exciting thing is the fact that these new people have been faithful since they our church. I always become happy whenever I see Bro. Richard one of the new converts walking some children to church. Our soul winning numbers went down recently, but I am glad that people are coming back into their places. We now have 4 different routes of visit every Saturday with at least two or three people on each route. God is working in our ministry.

Pray that God will help us to start a School if it is in His will.

Pray for open doors with the gospel.

Pray for receptive people.

Pray for influential people.
