3. How many people have trusted Christ through your ministry? 11

Letter to sponsor. Please include any personal or ministry praises, any special prayer requests, as well as any advances in your ministry.

I want to thank God for my family. My family is doing well. We can't wait to see the new member of our family. God has been so good. I met Anane and his wife Elizabeth in their house few Weeks ago. I preached the gospel to them and they trusted Jesus Christ. Anane after accepting Christ said that he stopped attending the Pentecost church because they never made sense to him concerning salvation. As I speak today, Anane has become a member of our church. His wife didn't come back to our church because we don't play drums and we don't dance as well. I am praying and working on getting his wife to join us. Also, I spoke with another couple at separate times. I met Mr. Boateng first, he and his wife Mary live closer to our church. After presenting the gospel to him, he said to me I have been hearing you sing those wonderful hymns and something kept telling every Sunday that this is the right church for me. Then he said you have confirmed my reason to come by the gospel. Boateng's wife Mary had been busy at work. It has been almost three Weeks now when I found out that she had lost her job. So I went there with David and Prosper with me. These are words that came out of Mary's mouth after she trusted Christ for salvation " today is the happiest day in my life". Mary has been faithful since the day she trusted Christ. Today in church we run out of chairs and I was so glad seeing Mary with some plastic chairs from her house to help. Her husband Boateng however, do not come regularly because he sometimes work on Sundays. Pray with us that the Lord will send us laborers for the harvest. Also that these two families will stay with our church. Also, pray for us we expect our new baby.
