I praise the Lord for His abundant mercies upon my family. My wife has been sick for almost two weeks, but she is doing okay now by the grace of God.

Two weeks ago, I started a Bible study on discipleship in our church. I challenged the church members to start training others. A few days later, Peter Kwame Acheampong who started with us from day one of the church came to me after the service. He told me how he was moved by God to teach people and invite them to church. He later called to inform me that he went out soul winning and met a lady and her five children. He preached the gospel to them and they trusted Christ. This Sunday, Peter came to church with the woman and four of her children and a lady friend to one of her daughters.

Andrews also has been in our church for only a month. Last Wednesday, Andrews came to me and said pastor, I have been trying to witness to a lady in our house but she doesn't seem to get the message. Then he said I have invited her to church on Sunday. Ama Bonsu and her son Kwame did come on Sunday. Prince Quansah has been in our church for over three years. He has constantly been praying for his brother's salvation. Dominic and I after praying for Frank Yeboah went to witness to him. Frank trusted Christ and he also came to visit our church on Sunday. God also blessed me with two visitors. We had ten visitors this Sunday. We praise God for working through us.

Pray that God will fill me with His Spirit so that I can do things His way.

Pray that God will continue to work through us as we seek to bring Him the glory.

Pray that God will give us money to put doors and windows to stop the rain from distracting our services.

Pray that God will make our church a real hospital for people.
