For the past few years, many people have asked us to go on the radio and preach the true Gospel, after hearing us teach it to them. For this and other reasons, we began to go to the Lord in prayer. The Lord answered our prayers about three months ago through Dr. Ted Speer and FBCI, Kumasi. Now we are on Edwumapa radio 98.9 on every Saturday at 7am. It has been so amazing hearing callers praise the Lord for the truth they get to hear on weekly basis.

A young man from Sankore recently asked that we come and start a church there because he is tired hearing lies all the time. Sankore is about three hours drive from Sunyani.

Also, we had Evangelist Alex, his wife Monica, and his two children visit our church three weeks ago from Ntotroso. Ntotroso is little over one hour from Sunyani.

I have personally had many people come to me one on one for help concerning the the Gospel and other areas. I visited a group recently at Odumase, a suburb of Sunyani, only to find out that they have been listening to my broadcast as a group every Saturday. We have also had many others who call on the radio to let us know that they listen every week in their villages.

God has really been glorified through our radio program. To God alone be the glory!

-Pray with us that God will open doors for us to preach on various information centers around Sunyani and it's neighboring villages.

- Pray that we will be able to reach and train many people through our radio program.

- Pray also for our plans to start a school and the property for our school project.
