3. How many people have trusted Christ through your ministry? 12

Letter to sponsor. Please include any personal or ministry praises, any special prayer requests, as well as any advances in your ministry. Please write ONLY inside the box below. If you need additional space, please use the back of this page.

Few days ago I was confirming the salvation of Nicholas, Kelvin and Patrick with my partner Dominic. Linda showed up to ask a favor of Nicholas for about two minutes. Initially I did not like it, but to my surprise Linda sat down to listen to our conversation. As I answered the questions of these men, Linda interrupted, "which church do you attend?", I replied, "Independent Baptist Church". Then she said "I am looking for a church that preaches the truth like what I just heard from you". Dominic, Prince and I went back to talked to Linda but she was very busy because it had rained heavily on that day. Pray with us that God will open doors for us to talk to Linda again about salvation to make sure she understands the message. About three months ago I witnessed to Twumasi under a tree. He trusted Christ and became a member of our church. He later became my soul winning partner. I trained him and watched him win souls to Christ. Two weeks ago, when I was returning from visitation, I saw somebody witnessing to two ladies. First I thought it was a (Jehovah Witness). When I got closer, I realized that it was Twumasi talking to those ladies, I found out that they really understood the message after questioning them. The main exciting thing about this is that Twumasi went on his own to preach the gospel. I am very excited because that has been the vision of our church, and the vision of our church is to reach men to reach others too. My family is doing very well. They are massively supporting me in the ministry.
