On September 15, David Kwabena Anning officially joined the Anning family. Thank you for your support in prayers. It is a blessing to have two boys who really look strong. The funny thing is to watch Daniel try to kiss his brother many times in a minute. My family is doing well and we praise the Lord for that. Bismark is the evangelist I met weeks ago who did not even know how to go to Heaven. After trusting Christ, Bismark told me he has been praying that God would send someone to help him understand the Bible better. And then he said, "I believe God answered my prayer today; I believe you are the one I have been praying for all the while." Since that day, Bismark has been coming to church faithfully. He has won some people to Christ and two of them, Isaac and Linda, have been baptized in our church. Bismark is now attending Hyles-Anderson College of West Africa each month. Recently, two of our teenagers met a man called Victor. Priscilla and her soul-winning partner Victoria preached the Gospel to Mr. Victor, and he trusted Christ. I did follow up on Bro. Victor, and he has become one of the faithful people in our church and in soul-winning. Brother Victor was a member of the Assemblies of God church. Last week he asked me about tongues-speaking. I did my best to explain the difference between tongues in the Bible and the modern day tongues movement. Today, after hearing this teaching, Victor called his girlfriend and told her to make plans to leave the Assemblies of God church. Pray for more laborers. Bro. Bismark is hoping that our church will help him start a church at Sosuano, his hometown, so that his people can also know the truth. Pray that doors will be opened to find a faithful man out there for that church.
