On October 1st of this year, our church celebrated our five year anniversary. I encouraged our church members to work hard to get their family and loved ones, who need to hear the Gospel, to come. We invited Dr. Ted Speer to preach for our church for the first time here in Sunyani. We had a goal of 200 visitors on that day, and the Lord gave us 141 through the hard work of our church members. Many of these visitors trusted Christ on that day. The following Sunday we had three of these visitors come to serve the Lord with us. One of them got baptized last Sunday. The exciting news is that one these is Mr. Yeboah, father of Priscilla Yeboah, was one whom we had prayed for many times in church. Priscilla had always prayed and hoped that one day his father will come to our church. He told us two Sundays ago that he will keep coming to our church. It has also opened lots of doors for us to disciple many people. My days are always filled with people who want me to teach them the word of God.

This Sunday as well the Lord was good to us in that many people got baptized. In FBCI Sunyani, we had eight baptisms and nine baptisms at FBCI Susuanso. God is working through our ministries here in Brong Ahafo Region.

- Pray that God will continue to work in the hearts of people we are discipling.
- Pray for plans for a school to train children from childhood to know God.
- Pray the children and teenagers of Fiapre will get hold of the fear of God in their lives.
- Pray for more laborers.
