I and my family are doing well by God's grace. Our ministry is doing well in Foase district. Our church building is still in progress. We have finished the pillars and the roofing, so we are left with the floor and laying blocks. Thank God for Mr. Billy Carter whom God is using to do such a great work. Currently, we have started three new home Bible studies to train our church members. I and Brother Adams Ayubah, a man from my church, are in college learning more of the Bible in order to help our people. I have a recent convert in our church called Abigail Frimpong. I met her in Foase when she was working in her shop (hair dressing). She accepted Jesus Christ and promised to join our church. Currently, she has been coming to church with another sister. She is also faithful to our home Bible studies. Godfred Hian is a church member who is growing in the Lord. Godfred has been faithful to church since he started, and he has now completed our discipleship lesson series (12 booklets) and he is a home Bible studies teacher. Pray for our church building, three new home Bible studies, more adult members, and more souls to be saved through us. We hope to establish adult Bible studies to train our members so that they can read their Bibles daily for the glory of God. Also, my wife is sick, so pray for her. Pray for our family and friends day on May 3.
