I am so glad about the wonderful things God is doing in Abwimase Foase Ghana. Thank God that I and my family are doing well. Even though my two daughters were sick but ~~the~~ God has healed both of them.

I am also happy that many people are getting to understand the true gospel of Jesus in my village. Due to our soul-winning on weekly bases many people got save which includes Faustina Dwomo, a JHS learner who after her salvation decided to join our church and she has been faithful since.

Pray for us on these request, our building completion, new Home Bible studies in I.P.T, future Christian school, soul-winners to be train, more salvation, health for my family etc.
