Thank God for the ministry of Foase because many people are receiving Christ and attending church faithfully. I am glad that our church building is also in the process of completion. We have made 200 concrete blocks which will help us fill the other parts of the building.

My two daughters are also growing well in the Lord. We are also in good health.

Pray for our church building completion, 2016 Easter Convention, more souls to be saved, some new prospects to attend church, future Christian school, etc.

Barbara is 14 years of age. She was witnessed to by Sister Abena of FBCI in Kumasi who told her about our church before she moved from Abrepo (near FBCI) to Foase. Barbara has started coming to church faithfully and she has brought two of her sisters and one brother to church.

Mr. Francis Antwi is saved and active in all our services. He has brought his wife to church and two of his sons. Two weeks ago, he helped the church mold the 200 blocks for our church.
