Thank God for being good to us because in Foase District more people are getting saved and others are getting to know God more in our church. Thank God for our building and the new banner that is helping the church to do more advertising. Thank God for Rita Deberu (single parent) who is saved and growing in the Lord. One of our old members—Mr. Kwakye Frederick—introduced me to her. Since then, she has been faithful to our church and has started working through our discipleship curriculum. She is hoping to join our soul-winning team. Praise the Lord that our church member (Godfred Hian Vembert) has gotten a new admission into Kesben University near Kuntense (where we have another church plant). Pray for more souls to be saved in Foase District. Pray for my wife to deliver our baby peacefully. Pray for our members to attend church regularly.
