Thank God for the ministry in Foase. We are still moving and spreading the Gospel. Our building is still in progress, but we have moved in safely on 7 August 2015. Many people are promising to join us. Thank God for our building. Thank you also for your support each month. God richly bless you and your family. We have started a new home Bible study and are hoping to start 4 new home Bible studies and for more souls to be saved. Mr. Atta Opoku is my recent convert. He is brother to Mr. Antwi, one of my faithful members. He invited me into his house where he and his entire family got saved. He has started coming to our church from that time. He loves God and the Bible, so he asked us to start a new home Bible study in his house. Mr. Kwakye Frederick is normally called 'D.J.' He has been attending our church since he got saved. He is now our financial officer. He has started our discipleship lesson series, and is in lesson 4 of 12. We have also started a new home Bible study in his house. Thank God for him. One of the exciting things recently in my church was our moving day celebration which took place on Sunday, 7 August. We are also planning to start other home Bible studies in Nkrang, Afrancho, Trabuom, and Twedie. I have been preaching about salvation revelation, assurance of salvation, and 'Heaven or Hell?' Pray for more souls to be saved, our 3 new home Bible studies, and our building completion.
