Dear brothers, it is a pleasure to tell you about the rich blessings of God through the work of the Baptist Freedom Church during the month of April. At the beginning, we celebrated Resurrection Sunday and it was a very nice time where 2 people received Christ. We had a youth meeting together with another church. We had 53 young people in our church where we were encouraging them to get involved and surrender their lives to missions. It was a spectacular time because 1 young male of 17 decided to give his life to serve God full time as a pastor or missionary. Next year he will begin his preparation at the Chilean Training Center. This month we concluded discipleship with a young couple from our church, and they graduated and began to serve in some church ministries. They are very encouraging for the congregation. Please pray for Emanuel and Cecilia. As a church, we distributed 1,000 invitations to people of the sector, and in the monthly evangelism of church 2 received Christ. Seven people were saved in church. We also distributed another 10,000 invitations within a radius of 1.5 kilometers around to start free English courses with the purpose of winning people for Christ and inviting them to church. We had a conference of families and two new families arrived to the congregation. We are also happy because a seminarian from our church, Brother John Moncada, was in charge of organizing a very important event. Many pastors from different parts of Chile came and were challenged in the plan to plant churches. My wife and I enjoyed our second wedding anniversary and we were able to see the first ultrasound of our baby. Please pray for my wife and son. We are happy.
