Dear brothers and sisters, it is a pleasure to comment on the rich blessings of God through the work of the local church here in Chile during the month of July. This month we gave much emphasis on outreach and evangelism. Ten brothers and sisters finished this process of discipleship during this month. We had the visit of two pastors in the middle of the month, who were preaching the conference of young people mid-year, in which I was leading and organizing and it was a great blessing. Every night we had about 200 people and every morning about 60 young people. Many made a decision. We continue with the follow up to the people of the Medical Operation. I was helping in the construction of a church where Mauritius, Omega Baptist Church is working. The church is growing and advancing. The Youth group continues to grow and serve thanks to God. We also continue with space problems, each week we have in attendance more than the space allows. Please pray for a larger room. I also want you to pray especially for some men: a. John (is preparing to serve in the work) b. Carlos (serving and supporting me a lot in the church) c. Mauricio (the brother who left our church to support another, and is doing an excellent job). d. Pierre (a Haitian boy, who wants to prepare to be a pastor) e. Francisco and Christopher (for drug addiction)

To conclude, I would like to thank you for your constant prayers for us. They are of great spiritual help for our lives.
