Dear brothers and sisters, it is a pleasure to tell you the rich blessings of God through the work of the local church here in Chile. The first week we worked hard on outreach and evangelism, 4 visits came and 3 made a decision for Christ. Glory to God! The second week, 2 young ladies finished their discipleship. We had the visit of a church from the States, who were helping us with a lot of evangelism and activities, which gave much fruit later the following week. And also a young man from that church wants to return to work with us for 6 months and be supportive of the work. Please pray for him please. His name is Steven. During the entire week of June 20, we conducted a free medical operation in the community with Medical Missions Outreach, where we talked with more than 1700 people, of whom 421 received Christ. Praise the Lord for the great joy that was in heaven! Please pray for these new believers. The Youth group continues to grow thanks to God and the kindness of children. We also continue with problems of space. Each week we have in attendance more than the space allows. Please pray for a larger room. I also want you to pray especially for three boys, John (is preparing to serve in the work) and Carlos (is serving and supporting me a lot in the church) so that God helps them to stand. And mainly for Mauricio (the brother who left our church to support another, and is doing an excellent job). Finally, I would like to thank you for your constant prayers. For us, you are of great spiritual help for our lives. I say goodbye, brothers, deeply grateful to God for your collaboration, I hope to hear soon the great things He is doing in you. God bless you richly.
