Dear brothers, it is a pleasure to tell you about the rich blessings of God through the work of the local Church here in Chile during the month of November. We were working hard on the dynamics of the double cult and we have seen a stability in the various ministries. Several brothers have begun to serve within the church. The Youth group continues to grow and now a new married couple began to help us with them each week (2 young people received Christ.) We also celebrated baptisms. Three families and a young person completed the discipleship. We renewed the membership of the church where 67 brothers signed as active members of the church. We celebrated our anniversary Sunday where we celebrated 2 years and 87 brothers arrived that day. I want you to pray especially for some needs of the church: a. For the new classes of young people and their teachers (Brother John and Brother Daniel) b. Carlos during the month, spoke with me to serve full time as a pastor in the church starting next year. He is already a graduate of the Baptist Training Center. Help me by praying for him and his family and the steps that will come. c. Francisco and his family lost their home and are going through various tests. d. Christopher (Has had victory over drug addiction for several months and is eager to improve his testimony and serve in the church) e. Mirko (The young man who entered the Seminary) began to help in the church by sharing mini - sermons week by week and is being very blessed. F. Also help us by praying for Christmas activities so that we can share the gospel to many and be able to receive Christ. Finally, I would like to thank you for your constant prayers for us. They are of great spiritual help for our lives. I say goodbye to you, deeply grateful to God for your collaboration. I hope to hear soon the great things He is doing in you. God bless you richly.
