Beloved brothers in Christ, it is a blessing to be able to inform you about the activities of our church here. Thank God the Missionary Conference 2018 "Carrying the Precious Seed" was held. In this conference the missionary from Central American Theological Seminary of Guatemala City (SETECA), Brother Pablo Sywulka, preached. It was also a blessing to make our promise of faith for this 2018-2019 period that was promised to give each month to missions. Currently, two brothers are financially supported; Alexis Givans, who is of Costa Rican origin and is a missionary in the Dominican Republic and also Brother José Boanerges Moran of Salvadoran origin and works in Honduras. Please pray for the project to establish churches in every community. There are approximately 23 communities which need a place to worship God and have sound doctrine. This can be done with the power of God. So we ask for your support in prayer for family leaders who are in front of the neighbors' home where Bible studies will begin every week. These neighbors who will lend their home are given the name "Sons of Peace." Please pray for the people who will be reached with the gospel through this project. In the month of May, we will begin an evangelistic support to a Pastor in Ciudad Vieja, Antigua Guatemala. The pastor is named Julio Monzón. Brothers in Christ, may God continue to bless you greatly, and many thanks for your offering to our family.
