It is our desire that the Lord be abundantly blessing your lives and ministries. I would like to inform you that during the month of December several activities were carried out for Christmas and the reception of the new year. The youth of our church organized a concert for the service on December 31st. We also had the closing of the 2017 Biblical Olympics. The whole church participated. There was a sister who memorized 125 verses in a competition called the Biblical Marathon. During this competition there were more brothers who joined personal evangelism. There were a total of 60 people saved. Now we want to disciple them and follow them up. We were blessed to have 8 new visitors during the month. We also had our meeting to plan the major activities of 2018 for our church. Keep praying for us. For personal evangelism. For the Biblical Institute of our Church. For the families of our church. For the planned activities. And especially for my family.
