Beloved brothers, by this means we greet you in a very friendly way, wishing that God is blessing your family and ministerial life. I want to inform you that in this month of July we had some struggles against diseases in some of the members of our church. We had some visitors in our church, which Luis Eduardo has begun to attend on a regular basis. We will begin to give him discipleship. Thank God we continue with our church's evangelism program on Sunday at 3:00 p.m. This month we finish the area we started in May. Now we will start in another sector. Please pray for us: For more brothers joining evangelism, For some projects that will start in our church, For the people who have been saved, to be able to follow them, For a project to visit schools and evangelize children and youth.
