Beloved brothers, it is a privilege for us, as a pastoral family, to be able to thank you for your care toward us. This month was full of challenges and obstacles that taught us to value more what we have, and trust in God for what we receive. For the glory of God, we have started the project of "Planting Churches in every community". Please pray for us. We know that Satan will not stay with his arms crossed seeing what we have set out to do. He will fight and make war. We are aware of his schemes, so we ask that you support us in prayer for the team. In the three services that have been carried out, we have had the blessing of having 12 visitors, of which only one person attends another church, the others do not attend any. We hope to start another Circle of Life (That's what we call our house meetings) in the month of October in the town I live in. The town is called Santa Isabel II of Villa Nueva. Please pray for our church and for God to raise and send more workers to his harvest. I also want to share with you a blessing from God. Our family has been given a car. A 1990 Nissan Centra. It is a great joy! We have to invest in some repairs, but we are still able to use it for the work of the Lord. God bless you.
