Beloved brothers, it is a true privilege to be able to thank you for your love for my family. Thank you for praying and financially helping our ministry here in Guatemala. I want to inform you that this month of June was a great blessing for our family. June 10th was my wife's birthday and June 28th was my birthday. The brothers made a special celebration for our birthdays. On June 18, Father's Day was celebrated in our church. We had visitors of 4 dads in the service. We also had work, since we changed the sheets of the roof on the second level of the church. Several brothers helped economically and others collaborated with the workforce. Every Sunday we continue with personal evangelism. In this month we finished an area of about 100 homes. Thank God, 16 people were saved in that area. Please pray for the following for these new brothers in the faith: I pray for the church leaders, for the students of our church's Theology Diploma who teaches on Tuesdays, for those who receive soul-winning training, for the health of my wife, for my children: Kevin, Victor and Damaris.
