I greet you with great joy in my heart, for we are not alone. The great goodness of God is manifest in our family and ministry in many ways and you are a part of that blessing of God in us. We appreciate your love and faithfulness to us. During this month we have seen God work powerfully through the different activities carried out here in the Elohim Baptist Church, of the Mezquital colony. At the end of October we held our Anniversary conferences. They were a great blessing, since we had the presence of Brother Pastor Rolando Álvarez, from the Department of Quetzaltenango, who is one of the members who started the work here in Mezquital in May 1982, about 35 years ago. But in the year of 2001, we organized ourselves as an Independent Church. This was already 16 years ago. We also had the presence of the Missionary José Boanerges Moran, whom we began to support economically in his ministry. Another missionary who visited us this month was Alexis Givans, whom we will also support financially. In the middle of November we started in our church "Biblical Olympics". These are a series of biblical activities that are carried out by groups formed by all the members of the church. We hope in God to have the closing of these competitions on December 19th of this year. We ask for your prayers for: · Personal Evangelism · The Bible Institute that we started this month (4 brothers finished the first year) · For each member of our congregation.
