Beloved brother, thank you very much for your faithfulness and care of each one of our family. It is a great privilege to serve God and know that you will hold the rope while we descend in the field of work. In this month of September, we had some activities in which the families of the church got involved in a dynamic and joyful way. We celebrated the 196 years of independence of our beautiful homeland of Guatemala. We prepared a very patriotic service and sang the National Anthem with the whole congregation. We continue with personal evangelism. Thank God for the blessings that He allows us to enjoy in the profit of souls. I ask for prayer for some young women who are getting involved in evangelism. Alondra is one of them. She is only 13 years, but she is one of those that motivates us to go out each week to win souls. Ashly is another 12-year-old girl who is excited in the ministry. I beg your prayers for my wife's recovery since she had a gallbladder surgery. She is now in recovery at home. Thank you very much family for your prayers on our behalf. God bless you abundantly your lives and ministries. Sincerely, Victor Alfredo Bin Alonzo.
