Letter to sponsor. Please include any personal or ministry praises, any special prayer requests, as well as any advances in your ministry.

My prayer request is that we wanted to start a church at Ampambame, and we need the Lord's strength, knowledge, and wisdom so that souls will be won. Also, we will need some faithful men to lead the church. Amen.

Kofi Nimoh is the new convert that I wanted to tell you about. He is an electric welder. I met him at Trede D/A Junction. I tried to witness to him, but he just wanted to talk about the Holy Ghost. He was attending the Pentecost Church. I had patience with him, and eventually he listened as I preached to him Jesus Christ. He got saved, and he visited our church.

Godfred Frimpong comes to church early, goes soul winning, visits, and loves new people coming to our church. He encourages our teenagers. He also dreams of being a pastor one day because he loves souls, and he believes he will win more souls when he becomes a pastor.

Pray for more laborers to be in the work of the Lord.
