Letter to sponsor. Please include any personal or ministry praises, any special prayer requests, as well as any advances in your ministry.

This month has been the most difficult month with trying to spread the Gospel because of the rains. We have had to dedicate time to helping our members since most of their homes flooded and their things ruined. That is why we didn't share the gospel as usual. Please pray for our church members and friends who lost almost everything. In one of the churches that I pastor, we saw God work and use this disaster for His glory. In a different church I pastor, we saw great progress with some receiving Christ and also new members were added. Once again, I want to thank you for your support and your interest in Cuba. May God bless you.
