God is great all the time and all the time our God is great. We wanted to foremost thank God for mercy and second a super big thank you to our dear sponsors and all the staff and volunteers at CORE that do such great work behind the scenes.

August was a super hectic month on parents and students alike as back to school draws near. Bayshore Bible Ministry was able to hold a back to school treat for some of the kids in our community. God has blessed us with 60 book bags with pencils, sharpener, pens, ruler, eraser, writing books, just to name a few things in each bag. The need is so great so we had to narrow it down to the ones who studied their Bible verses. We are truly experiencing God's blessing upon our lives as we give back to God's children. You, our sponsors, certainly play a vital role in assisting us here in Jamaica to help further the Kingdom of Our Lord.

We are also very pleased to have started a very major undertaking with the temporary roof at our church. We completely took down the temporary roof as it began to pose a hazard to our well being while we worshiped. The board structure has weathered the storms and finally lost its strength so the decision was made to totally remove it. We trust that as usual, our God will see us through, "the substance of things hope for, the evidence of things not seen."

Please continue to pray for us as we strive to uplift our lives spiritually and as we strive to uplift our Church House physically. We are super excited about the future as we continue to spread the gospel and restructure our church.
