With greetings and love, I bless you all in the matchless name of Jesus Christ. The year has ended, we are still in the land of the dying but one step closer to the land of the living where we get to spend eternity with Christ. This year has been a challenging year for us at Bayshore but our love and support from the family of God who believes, remains committed. So we press on towards the mark of the high calling of God in Christ Jesus. With crime and violence spiraling out of control in Jamaica, we must REACH the young and vulnerable before the devil does. In Christ Jesus they are our ONLY hope here for a future. To our brothers and sisters who are able to reshape Jamaica, we would like to utilize our church as a counseling center and a homework center for ALL students in the Bayshore Park. We are seeking your prayers on the ways to move forward as we put this plan in place. We place God at the highest place, as we continue wait on His instructions. Thank you for your continuous support and we pray that you will remain committed as we partner this year in the furthering of the Kingdom of Christ.
