Praise is what we do. We greet you all at CORE, our sponsors and our brothers and sisters in Christ and all who are doing their very best to further the Kingdom of God. We greet you all in the matchless name of Jesus Christ.

The month of July had been a month of praise for us. We pledged to praise in season and out of season and with the praises going up, the blessings are coming down. God is truly rewarding faithfulness as we get closer and closer to having a roof for our church a reality. We have had a major stakeholder in the business world here in Jamaica seeking an interest in assisting us with a roof for our church. The company inspected the property and made some recommendations before going forward. As we continue to pray to meet the necessary criteria, please continue to hold us dear in your hearts and prayers, as we seek to embark on a new chapter in our humble church. Our goal is for our church at Bayshore to become that beacon on that hill so others may see, hear and
