Greeting to faithful partners of ministry. Having opportunity to share with you some main things first of all let me say thank you so much for your prayers and financial support . We are so grateful for it. For the month of July was extremely busy because we had two great projects. First of all we had summer camp for kids where over 110 kids from unbeliever families could hear the Gospel of Jesus during week. Second big project we had, we called, week of evangelism where during 8 days near 30 missionaries were going from door to door, from village to village and were preaching Gospel of Jesus. So, over 1,000 people could hear the Gospel from all our missionaries, and personally I could witness to 64 people. Many of them were praying with tears of repentance and it was just amazing. Praise God. Of course we have many difficulties facing every day, but God has been so good to us every day. So, sharing about situation with my family I would like to ask for prayer for little Ronald as he is sick now. Well, we still in hospital and 10 days ago, we got to hospital and Ronald had very serious surgery. So, now he is slowly getting better but needs your prayers. May God bless you richly.
