So, grateful that through many and different ministries, God is working and we have such great results.

As you know that I am pastor of four churches. I would like to ask you to pray for one of our daughter church in the mountains. The church we started a few years ago, and things were really good there, but now two brothers died and there is not enough preachers for the church. As for me, I have to travel over 60 miles one way to get there and preach and then go back. There are very bad roads, and in some places only a four wheeler can go. I pray for a solution and transportation for our mountain ministry. God is Good and I believe He will send transportation or a Pastor.

Thank you for taking part in my ministry and my prayer is that God will reward you richly.

In Jesus

Regional pastor of four churches Paul Dudka
