Dear partners of Gospel,

Greetings to you in name of Jesus!

I would like to tell you that God has been so good to us during last month. The month of November was really busy for me as its beginning of teaching in Bible school but also in soul winning projects. I would like to tell you that November, December and January are busy months for me in Bible School as I will be teaching three different groups of students where 54 students getting ready to become missionaries. As you know, I am involved in media ministry for the last three years I am preaching on TV. The other day a lady called in she said, "My name is Nina and I want you to pray for me." Well, I started to pray for her via phone and she started to cry and then I heard all the family were crying. Friends I can't express what it means for me and what I felt. I was so excited and after talking to her for while I promised her to pray for her more. Do you know what happened after? In 7 minutes she called me back and said, "sorry for disturbing you again but I would like to know if there are some churches in the area where I live?" Now I am going to help her find some Baptist Church close to her as I believe she got saved today. Wow, it's just one more amazing story and results of media ministry. May God bless you richly.
