We are grateful for the economical support we've received to further our ministry of planting new churches in Manicaragua and Jorobada.  
Please pray that these churches can be ordained this year in both of the locations we are currently working on.

We also ask that you pray for the three bible study groups we want to establish. They will be three small groups with three different families that will gather weekly to disciple others. Pray for this work and that the people can become receptive to His Word as this city is one who is closed to the Gospel.

Pray for all the missionaries who are laboring with us and for those who will be joining us in the upcoming months.
