Dearly Beloved Brothers and Sister,

First of all, I wish many great blessings upon you this new year of 2018. May the Lord continue to help C.O.R.E. As you strive to reach the uttermost parts of the world, and so fulfill His Great Commission.

Today I'd like to inform you of the work I do as Secretary of the Missionary Fellowship, in particular one of the latest and most important jobs undertaken. Since 2000 I have served as a founding member of the Missionary Fellowship, and member of it's Executive Committee. This position has allowed me to witness firsthand the clear vision for the basic functions of the Fellowship. Namely, evangelism, church planting and discipleship.

With this purpose at heart, we have begun the composition of a Manual of Organization for the first time. Our objective is not only to define the structural elements and function of the Fellowship, but also to provide a practical tool outlining the varied tasks involved in achieving our short and long term goals. Through this method, by God's grace, we are creating a Program for the Fellowship that will span the next three years, to the end of 2020. We have set a historic goal, which we believe can achieve by faith, of reaching the nation of Cuba and preparing to shift our focus to global evangelism.

Apart from being arduous and meticulous work, this mission requires many expectations, coordination, vision, theological and historical analysis, and bold philosophies and strategies that remain focused on fulfilling the will of God.

We appreciate your prayers for us, especially as we celebrate the twentieth anniversary since the foundation of our Missionary Fellowship. Please pray that God would bless the implementation of the Manual of Organization.

In Christ's Love,  
Emigdio Gonzalez
