Beloved brothers,

As far as the evangelistic aspect of my work, I was able to present the gospel to an older man , sick of cancer, and health was greatly deteriorated. I was able to have a conversation with him and simply and directly shared with him the good news of Jesus Christ. I asked him to pray with me and accept Christ and He did. It was a great when he did because for most of his life he had been rebellious and had a huge drinking addiction.

Another evangelistic program we have is that of a sports team. We get together and teach young people how to play as a team in baseball. We have about 25 in regular attendance. Although we haven't had any people receive Christ, we have had many people show interest in Jesus. At this moment the team went on to win the semi finals and I am confident God is going to bring them victory for His glory. We pray that we are able to share the gospel with more teams. I ask that you pray for positive results in this ministry.

Thank you for your help,  
In Christ,  
Emigdio Gonzalez
