God is doing great things through the Trinity Baptist Church. We will be starting a youth ministry. We know that the young people are a great blessing for every church and as a new church we have not had the opportunity to do this ministry. Now God has planned for workers to be able to do this ministry and we are very happy. As you know, the young people left the camp being very blessed for their spiritual lives. Two of them accepted Christ. And they came very excited from the camp. And we pray that God will continue working in their lives. We also have the arrival of a young man from the north of our country called Mirko. He is from the missionary church of Iquique, and will be studying at the Chilean Baptist seminary. He will be doing his practical work with us. He will be in charge of the young people. In these months more people have come to church. One of them is James. He is a Colombian and comes with his girlfriend who is Chilean. They are coming faithfully. We are doing discipleship every week and God has touched his heart to enter into marriage. Elizabeth, the bride, used many drugs and lost her son by drugs. But when we were with her the first time, she received Christ as her Savior. God is changing their lives by the grace of God. We also met a family that is Pentecostal background, where his wife had cheated on her husband with another man, and the marriage was completely broken. When we got to that house, the husband's things were out on the street. We talked and the wife received Christ and the husband forgave his wife. Now he is gathering with us. Always as a church, we have thought that it is very important to focus on missions. We were able to add two more missionaries. We will be supporting them with \$50 per month. In total we have 7 missionaries that we are faithfully supporting. We can only ask God that we can help us with more missionaries. We thank God for the generous heart that our brothers have! Prayer requests • for the spiritual health of the brothers • for the new visits • We are praying for God to be providing the resources so that we can rent an apartment for our family • For our daughter Macarena who is not very well in health.
