It is always a blessing to be able to share with you every month what God is doing in Trinidad Baptist Church. This month of June has been a very special month for us as a church and as a family, the ladies had a very special meeting with Sister Andrea's mother's visit, giving her testimony and being of great encouragement to the others. Also the ladies had a day of handing out tracts, near the church, my wife with two church ladies and that helped them a lot. We also had father's day service where a father visited us for the first time. The children and teenagers sang, being very emotional for them. Also the children had the opportunity to share with the church brothers what they call the "missionary lata", which is to support a missionary. Also 8 year old Jason shared the missionary report of Pastor Wilber Hallasi who was the missionary of June, the brothers were very happy for their children and the desire they have to support missions. As you know, we started Spanish classes. My wife is teaching every Saturday, we started the classes with 11 Haitians, now there are 18 Haitians, two of whom visited us for the first time. They are very happy with their new teacher. We were also visited by a young couple on a Sunday evening worship service, then they stayed to talk to us and told us their background. The woman practiced reading the letters, and told us that her parents baptized her in magic Black, that day we could talk about Christ, and at the end of the conversation he brought us his letters and everything he used to guess. Now they are in discipleship every Friday, and we pray for them so they can stand firm in the faith. We also did the Saturday of evangelization where we went to different parts of Quilicura to give a tract and to be able to speak with the neighbors of the commune. We are very excited by everything that God is doing in his church. And we pray to God to guide us. Prayer requests • I ask you to pray for my wife and our unborn baby Macarena, in the month of July they will tell us if it will be a normal birth. • For the procedures of my wife and God can provide us with the resources for their procedures. • For the young couple who came to the church and can continue to grow spiritually. • For the cults in Kreyol, and the new Haitians who are arriving.
