The month of October has been a great blessing for Trinity Baptist Church and our family. In the month of October, we had the privilege of traveling to a pastor's conference in Arequipa, Peru. The theme of this conference was fighting the good fight and it was a great blessing for us. As you know my wife is from Arequipa and we were able to take advantage of being with her family all the time we were in Peru. After the conference we stayed for two more weeks. I was visiting some churches in Arequipa and to visit with Pastor Miguel and his family. It is edifying to be in Peru and be able to see all that God is doing through pastors and leaders that God is raising. This year our Church fulfilled four years since its foundation had a special service where we saw what should be the purpose of the church and its goals. It is incredible to see how God builds his Church. We started in a room in the commune of Cerro Navia and God has blessed us with a beautiful church. This special Sunday we had 74 people. We pray that God will continue to work in the lives of each believer and that He will continue directing our steps to continue serving God. This year we held a mission conference and the theme was dispelling the darkness. Pastor Miguel Murillo from Arequipa Peru was with us. We had three nights of great blessing and we also had the participation of the Haitian ministry that gave a special night. The purpose of the conference was to add pastor Mauricio from the Omega church and the Chilean Baptist seminary. At the end of the night we passed the goal then we will add a third missionary to the list. The brothers were very happy with the mission conference. We hope to continue increasing the resources for missionaries around the world. Another Colombian family arrived with their three children, and the Clarine family came to Chile and is participating with us. There was also a Haitian couple who participated in another church from which came out because of the bad doctrine. May God continue to come visit for more people to know Christ. Prayer requests • For each person that we can visit and came to the missionary conference • For the faith promises that each brother can fulfill his commitment to give to missions • for the Haitian ministry and that we can raise a man so that he can teach. • For our family that God can guide us in our lives and for the ministry here in Quilicura • For the Chilean Baptist seminary and for all the changes they are making to leave the place in good condition.
