Thank you, dear brethren, for the financial support! We hope that God rewards you with abundance. People are still encouraged to congregate in the garage of our house. The group of brothers keeps meeting faithfully and that encourages us. I ask for your prayers for Brother Billy who this year has done a good job of covering me in preaching while God uses me preaching in different cities of the country. We had the blessing of working with some 36 young people in the course of the year in music training either in theory or in practice of some instrument. We had very talented young people, but only 20 managed to finish because the social and economic conditions of many of them did not allow them to have stability to arrive completely at the end of the course. This year we had an attendance of 220 people at our final graduation and 2 souls were saved in the preaching. In February we begin again and ask that you pray for the new group of young people. Thanks to God this year we were able to share the Word with freedom and from October to December I preached in 8 Baptist churches in different cities of Honduras and about 8 people came to receive Christ as their personal Savior. A good number of Christians made decisions to have a closer relationship with Christ. We participated by preaching and serving in 5 Bible and music conferences and in a youth camp. God allowed me this year to enter to minister the gospel in a Christian school and I am preaching Monday through Friday to elementary school children, junior high school students and teachers. I have had the opportunity to lead 2 more young people to Christ. I also do Biblical counseling for the spiritual needs of the Parents. Prayer requests: For growth in the number of people in the church. By land and temple for the church. For the peace and political stability of Honduras. God bless you.
