Thank you for the prayers. February has been a month of blessings since God allowed me to hold two camps for both elementary school children and high school students. In the primary school children many decisions were made especially two children who received Christ. In the youth camp we had the purpose of securing the salvation for some young people and it was wonderful to see fifteen of them raising their hands to indicate that they already had that security of salvation in their hearts. Two young people later received Christ. Fifty one young people enrolled this month in our King David musical education ministry. It is a privilege to serve all these young people who come for help from 12 different churches. Please pray a lot for them. Prayer requests: For growth in the number of people in the church. By land and building for the church. For the Conference for families that will be held from March 23rd to the 25th in the Baptist Church of Calan. For the Conference that I will preach in Baptist Church Castillo of the Lima 13 to 15 April. I pray for the birth of my second grand daughter Lucia on May 16th and the upcoming wedding of my third daughter Juliet. Thank you for praying for us and for your support of the work here in Honduras.
